

- 1) **[Download](#)** and install the Overdrive Software. Be sure to select the version that matches your Operating System.
- 2) **[Download](#)** and install Adobe Digital Editions onto your computer. This software is what allows the licensed audio books and eBooks to play on computers and mobile devices.
- 3) Sign up for an Adobe ID when prompted. This ID will need to be remembered as it will be linked to your ability to download from the eMedia catalog.
- 4) Go to the **[NCLS Overdrive site](#)** and click the Log In button. You will log into the catalog using your Library card number and PIN number. Your PIN will generally be the last 4 digits of your phone number. If not, please call your local library to have the PIN reset.
- 5) You may search for the books you want. You will be able to set books aside for check out in your cart.
- 6) There is a 3 book limit, counting checked out materials and books in your cart.
- 7) When you are ready to check out, click the Proceed to Checkout button. The items in your cart will be checked out to you and ready for download.
- 8) You will be prompted to either Open or Save the file. Choose to open it with Adobe Digital Editions. If the mobile device you wish to put the eMedia onto is not yet plugged into the computer, do so at this time.
- 9) For most eReaders you will be able to 'drag and drop' the eMedia, located in the right hand frame, to your eReader, located in the left hand frame.
- 10) Find the eMedia on your eReader and enjoy! ☺
